

# An agricultural space: research, plan, design

---

Select one of the following tasks and research the information you need to complete your task. Use the resources around your school and/or community such as the internet, books and knowledgeable people to complete your research.

## NSW Stage 2

GE2-1  
GE2-2  
GE2-3  
GE2-4  
ST2-1VA  
ST2-2VA  
ST2-5WT  
ST2-11LW

## NSW Stage 3

GE3-1  
GE3-2  
GE3-3  
GE3-4  
ST3-1VA  
ST3-2VA  
ST3-5WT  
ST3-11LW

### Task 1:

Develop a plan to regenerate a section of your school grounds that is bare of vegetation or degraded.

### Task 2:

Select an agricultural activity you could implement at your school and develop a plan for how you would set up this activity and look after it (hint – think small!).

### Task 3:

Develop a plan to create a native bush tucker garden at your school. Include what species you want to plant, why and how these species were used by Indigenous Australian people.
